Sons of Thunder to Perform Here October 26

The Sons of Thunder were born over seven years ago when a pair of young rock musicians from the Washington, D. C. suburbs realized a desperate need to communicate the gospel of Jesus Christ through the folk-rock idiom.

During the past seven years the "Sons" have gone through many growing pains which have resulted in a sharpening of talents, and the realization of dreams, but most importantly, the development of a common vision; to share the truth of Christ to a world of lonely and searching youth. As one of the musicians put it, "A sincere commitment to Christ along with the perfection of our musical presentation has allowed our ministry to expand beyond our expectations."

The Sons of Thunder are a unique combination of musicians who came from all over the United States to form a dynamic, powerful musical voice which proclaims the message of Christ in a language and medium which today's youth not only understand but also indentify with. From the heavy sounds of rock to the lighter sound of the folk ballad or even the happy good-time sound of country, the Sons of Thunder relate the love of Jesus to eager audiences all over the U.S.

Working with such Christian organizations as Campus Crusade for Christ, IVCF, Navigators, the Billy Graham Association, and individual churches and clubs, the "Sons" have become known as"...one of the friendliest groups I've ever met." Perhaps this is why the "Sons" are asked to perform at so many colleges and high schools.

The Sons of Thunder are more than just good Christian music. They are a team of brothers and sisters, pulling together in love, communicating the relevance of Jesus Christ.

They truly are the Sons of Thunder; the thundering love of Jesus.

The Sons of Thunder will be in Appomattox on October 26, 1974 at the A.C.H.S. Auditorium. Show time is 8 p.m. This fine group is sponsored by the Memorial United Methodist Church M.Y.F. Tickets are on sale now from any M.Y.F. member.

Everyone should be alert to "danger signals" which might indicate that a friend or loved one is suffering from a hearing loss problem. These signals would include sudden unex- plained changes in behavior such as withdrawing from group conversations, contin- ually asking others to speak louder, missing parts of sentences and mistaking simi- lar sounding words.

The Pastor Speaks

The Bible says: "They crucified me and two others with him." St. John 19:18.

At calvary three men were crucified: The Son of God and two criminals. Crucifixion was a barbaric mode of execution reserved by the Romans for slaves and vicious criminals. Strange to us today, it becomes vividly real when Marian Anderson, famed contralto, sings the haunting melody "Were You There When They Crucified My Lord?"

On the central cross hung our sinless Lord. The sins of the world - yours and mine included - drove those ghastly spikes through his innocent hands and feet. As our sin-bearer he hung transfixed there, suffering the penalty we ought to have paid.

The two thieves crucified with him were suffering the just consequences of their crimes. Christ died for both. But the one rejected him. The other received by faith in the crucified redeemer found the open gate to paradise.

In a new cross of Jesus unites men, because by faith in him all become members of that spiritual body whose head is Christ. But in another sense the cross divides. Men must make a decision. They either accept or reject the crucified Jesus.

On Judgment Day that division will become clear. Only if we daily recommit ourselves to Jesus through living faith are we sure that we shall forever be united with Him and His in glory.

Lord Jesus, receive me and all men into thy kingdom. Amen.
